

EVO | PICO | PRO | LASER | RIDE ON | AUTO | STEALTH STRIPER

# MORE FREEDOM FOR YOUR ASSOCIATION

Measuring tapes, pegs and strings are relics of the past. Our satellite-based line marking system ensures pinpoint lines, both for initial marking and over-marking, and 100% continuity. Perfect fields in minutes, every time!

## INDEPENDENCE AT A SMALL PRICE

Plan and mark your sports field independently:

**SWOZI *pico*** gives you the freedom to line accurately without help and in the shortest possible time. More time for other tasks or for cosy get-togethers with your club colleagues.

### ONE MAN SHOW

1 field – 1 person – 20 minutes  
Without cords, without measuring tapes

### ACCURATE LINES

Quality with highest accuracy

### TIME SAVING

Save up to 75% time

### TEMPLATES

Over 100 field templates to choose from

### LESS PAINT

Reduces paint consumption

### COST EFFICIENCY

Save significant operating costs

# SWOZI *pico* – SMALL, BUT IMPRESSIVE

## SPECIAL FEATURES

The **handlebar** is adjustable and can be set in the ergonomically ideal pushing position.

The storage area offers space for up to 2 x 10l canisters of **paint**. No matter which paint manufacturer.

The robust **GPS antenna** ensures highly accurate positioning in the cm range.

The **GPS-assisted spray arm** replaces cords and measuring tapes and delivers excellent line quality.

Adjustable **tablet holder**

**Spray lance with stainless steel suction filter** enable flawless paint flow.

3 large ball bearing **wheels** provide good rolling movement.

**Pump with valve:** the integrated rinsing mode makes cleaning very easy.

As standard, the Pico is equipped with a long-life **12V / 25AH battery**. With option to upgrade to two batteries.

## STATE-OF-THE-ART GPS TECHNOLOGY PAIRED WITH SWISS PRECISION
